SEGMENTS OF E. 4TH STREET TO CLOSE FOR INTERCHANGE IMPROVEMENTS PROJECT IN RICHMOND

Use alternate routes through fall 2021

RICHMOND, Va. – Beginning Thursday, March 25, the Virginia Department of Transportation (VDOT) will close two sections of E. 4th Street in the City of Richmond to facilitate the start of an interchange improvements project including construction of a single lane roundabout at I-95 and Maury Street. The following sections will be closed until fall 2021:

- E. 4th Street between Everett Street and Maury Street
- E. 4th Street between Maury Street and the on ramp to I-95

Access to Maury Street and property access within road closure limits will remain open during work.

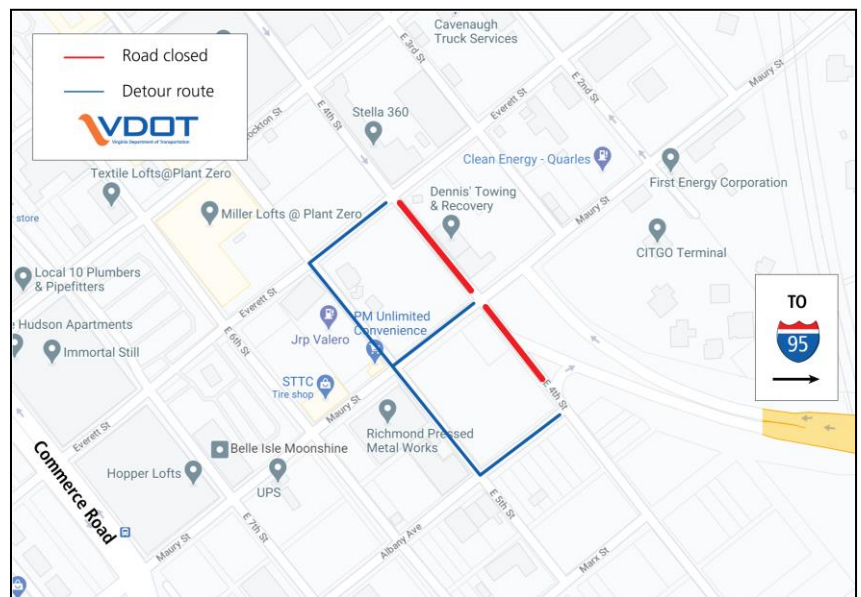

Drivers can use E. 5th Street, Everett Street, Maury Street and Albany Street to navigate around the closures.

Any additional road impacts for the project will be posted in advance to notify drivers.

For more information on the interchange improvements project, visit http://www.virginiadot.org/projects/richmond/i-95-maury_street_interchange_improvements.asp.

Anyone with questions about the project can call VDOT's customer service center at 800-FOR-ROAD (800-367-7623).

For the latest real-time traffic information or road conditions, call 511 or visit <http://www.511virginia.org>.
