UPDATE: I-64 WEST REOPENS TO TRAFFIC FOLLOWING INSPECTION

NORFOLK -- Interstate 64 west near Bay Avenue in the City of Norfolk has reopened to traffic following an inspection of the Evans Road overpass.

The inspection indicated the need for pavement patching in the right lane just before the overpass, which was initially completed under a single-lane closure using cold-patch asphalt.

Later tonight, crews will again implement a single-lane closure in this location to complete additional patching.

There are no emergent issues with the Evans Road overpass itself.

For information on the many other lane closures necessary for maintenance and construction throughout Hampton Roads, visit 511Virginia.org, download the [511VA smartphone app](#), or dial 511.
